Enter access code:
922 603 626

Please attend this event to share your thoughts and ideas for improving state contracting with small and diverse businesses.

In July 2015, Governor Inslee established a subcabinet to increase ways for small and diverse businesses to participate in Washington state contracting opportunities.
The Governor directed the subcabinet to develop a cohesive statewide strategy.

Community participation and feedback is essential to this effort.

You can join the conversation in person, by phone, or via online conferencing.
