

SUMMIT CORPS

SEATTLE & TACOMA

The Opportunity:

Summit Public Schools, a leading charter management organization serving diverse communities in the San Francisco Bay Area and Washington State, operates 9 schools enrolling 2,500 students. Summit's mission is to ensure that every student has the opportunity to not only attend, but succeed in, a four-year college or university. To date, 99 % of Summit students have been accepted to one or more four-year colleges, and its graduates are completing college at double the national average.

This program is a one-year urban education fellowship. Summit Corps members focus on supporting groups of students with learning content, improving literacy and math skills, and building the strong study skills and habits needed to be successful in high school and college. Summit Corps members build strong relationships with the students and with their families, and with the Summit community.
