Staff Report

June 8, 2024

Staff report to the Commission covering activities, progress, and updates from March 23, 2024 to June 7, 2024.

STAFF AND COMMISSIONER ACTIVITY

Commissioner Activity: Commissioners submitted activity reports for an extended period of January 13, 2024 to May 30, 2024 for the June 8 board meeting. Activity Report response rate = 100% (12/12 respondents). Outstanding reports for this period: *none*. Details of Commissioner Activity can be found in Appendix II

Total events reported = 237

1. APPOINTMENTS

Commissioners Cho and Uppala were recommended for re-appointment to serve their third and final terms upon the Commission, through June 2027. Commissioner Abbott did not seek a second term.

The Executive Committee convened to review applications and interview candidates for the vacant position. Recommendations were sent to the Governor's office on June 7th.

2. FINANCE

The Golden Celebration raised approximately \$19,163. The updated amount in the Donation Account is \$36,079.

Sponsorships: Note: Because of the limit on sponsorship-related spend, *CAPAA will only grant applications to first-time applicants who meet all criteria.*

Four requests for sponsorship were received in this period. Details for all requests can be found in Appendix I.

Of the requests, 3 were approved by the Executive Committee:

- Kandelia's Celebration of Cultures
- US Japan Council's USJC40 Conference
- Wat Lao Thammayanaram Temple's Lao New Year

Of the requests, 1 was denied due to CAPAA having sponsored them before:

- UTOPIA's 2024 MANAfest

3. CAPAA'S GOLDEN CELEBRATION

CAPAA's Golden Celebration took place on Saturday, March 23 at Highline College in Des Moines, Washington. The event was well attended with over 350 tickets sold. In attendance, we had all 12

current CAPAA Commissioners, 3 former Executive Directors, a number of elected officials, and a surprise visit from Governor Jay Inslee and first lady Trudi Inslee. The event featured multiple cultural performances, and the distribution of 8 awards to community champions. Overall – between ticket sales, sponsorships, advertisements and exhibitors – CAPAA raised \$65,080. This enabled us to take on additional costs, such the production of a vignette (which was played at the celebration), as well as having a photo booth, photographer, and videographer on-site. The event’s expense total was \$45,917.48, for a net gain of \$19,163!

4. **CIVIC ENGAGEMENT PROJECT**

CAPAA contracted in the amount of \$30,000 with Kaya Strategic to identify civic and voter engagement opportunities across Washington state based on most recent Census population data available. As the scope of the project, KAYA will conduct statistical demographical analysis and convey information as Two (2) density map visualizations and summary analyses of key findings for 1) the Native Hawaiian Pacific Islander WA communities and 2) Asian American WA communities. This information should be a useful tool to partners at the State of Washington or community based organizations to identify and register prospective AA & NH/PI voters in Washington State. Chair Fitalia and Commissioner McKenna met with Kaya to define the project scope and ensure the project will be a meaningful resource.

5. **REQUIRED EQUITY TRAININGS**

The Department of Enterprise Services has developed the training, *A Path Toward Equity: Disrupting Structural Racism through Awareness and Belonging*, to provide a foundational training for all executive branch state employees ***and appointed Commissioners***. The course aims to develop shared understanding and language around diversity, equity, and inclusion and help employees gain skills necessary for a respectful and inclusive workplace. Brenda has provided the information necessary to login and take the training. Contact her directly if you need additional support. The training includes a prerequisite viewing of the documentary, “*Who We Are: A Chronicle of Racism in America*”, which must be completed prior to registering for the DEI foundational training modules.

Commissioners are also part of CAPAA’s agency Pro-Equity, Anti-Racism (PEAR) team – and are required to watch the orientation video. The video can be accessed here: [2022 PEAR Team Orientation Recorded Session - YouTube](#)
