UW Survival Plan Has Evolved

• Higher Education throughout Nation in crisis, except Well-funded Private Universities

• All States have drastically cut back of funding of State Universities because of Federal shifting of costs and limited tax revenue

• DSHS, K-12, Infrastructure, Short term economic development projects, all seem to be prioritized over higher education funding
UW Needs $ for Infrastructure and Safety Protection

• 337 buildings: older, needing maintenance

• 792 acres, needing landscape and maintenance

• Three campuses

• All open campuses

• Freedom of speech issues

• IT needs high; finance, payroll, budgeting, UW Medicine infrastructure and IT.

• Labor expense, cost of living expense, housing needs,

• Crime prevention, student safety, prevention of harassment, scandal and corruption.

• Athletic programs
UW Has Been Squeezed Relentlessly

- McCleary has dominated state funding for last 5 years
- State stepped in and reduced UW tuition rates, stopped other proposed tuition increases, and did not make up difference
- State revenue/tax system inefficient, not sufficient, and broken.
- Yet, UW undergrad tuition is 10,914 annually; one of the best bargains in the entire nation; below average, mean, and median of top 25 Public Universities.
- California subsidizes their University about 33% more than WA.
- Faculty not unionized; 2% per year increase mandatory in lieu of unionization as part of negotiation
UW Evolution Continues

- FY 19 budget at 7.8 Billion
- About one-half is UW Medicine
- Fed landscape on Health Care and Higher Education creates much Anxiety; two changing uncertain areas UW existence is linked
- State funding reduced from mid 30% of UW budget to about about 15% budget.
- Graduate school tuition and out of state, foreign students help foot our bills
